College Bound: Use Caution on Your Way Back to School

Distracted driving is one of the leading causes for the rise in vehicle accidents nationwide.

PCI’s Back-to-School Driving Safety Tips

- Buckle up: It’s the law
- Put the phone down: Don’t hold the phone or text while driving
- Have a plan: Have roadside assistance phone numbers available
- Don’t drink and drive: Have a designated driver
- Be financially prepared: Review your auto insurance coverage
- Construction: Be aware of changing traffic patterns

U.S. traffic deaths increased nearly 8 percent from 2014 to 2015
