

FIND YOUR INSURANCE COMPANY: TOLL-FREE NUMBERS FOR POLICYHOLDERS

APCIA wants to help ensure that citizens are prepared in case of a severe storm or other natural catastrophe. Property insurance policyholders who have questions about their coverage are encouraged to call their insurance agent or company directly.

Additionally, each insurance company has set up a special toll-free number to discuss their policyholders' questions in these times of need. Please keep in mind that during the time of a storm, individuals might experience a high call volume.

Flood insurance is administered as a separate policy under the National Flood Insurance Program (NFIP), which is the primary source for flood insurance in the United States. Flood insurance policyholders can call the NFIP toll-free at 800-427-4661 and information can be found on the internet at www.floodsmart.gov.
