Insurance Advice for those Evacuating

Follow a family evacuation plan and have all family members meet at one previously agreed upon location.

Bring important paperwork including a copy of insurance policy. Contact insurance company immediately once evacuated.

Remember to keep your receipts so it will make the claims process easier.

Remember to bring eye glasses, medicines or other important items and prepare for pet's needs, bring leashes, food etc.

Flooding is not a covered loss under the standard homeowners insurance policy. Flood insurance must be purchased as a separate policy.

Please Note — Policyholders who have lost their homes due to a covered loss are immediately eligible for Additional Living Expense (ALE) coverage.
